Chef Donna's Review:

[*Skinnytaste One & Done*](#) is organized by cooking vessel. That is, perhaps, one of the most ingenious methods to indexing a table of contents. Ever. You won't be disappointed landing on a recipe you can't cook because your kitchen is ill-fitted (to the extent one would consider their kitchen equipment lacking without an air fryer). Still, even if you don't own all of the appliances such as an [air fryer](#) or [insta pot](#), [*Skinnytaste One & Done*](#) provides alternative directions so you won't miss out.

It has long been the [Skinnytaste brand](#) trademark to put a healthy twist on the dishes we crave, literally by just seeing them. *Cheesy Giant Turkey Meatball Parmesan* or *Dijon Maple Chicken with Brussels and Butternut* for dinner, sound tempting? If not, the pictures that accompany the recipe sure do! Why not try the *Pork Chops Pizzaiola with Arugula Salad*. You'll enjoy everyone singing your praises while you quietly enjoy the fact that you're putting a healthy dish on the table. You know that because Homolka in [Skinnytaste One & Done](#) provides nutritional information with every recipe.

I suppose, too, there's the thrill that there's only one pan to clean up. One pan, and all the other bowls, if you *mise en place*. And, then, there are the dinner dishes from the table, too. But you would do that anyway, right? If that needs to be forgiven, you will. Instantly. (see what I did there? Instantly. Insta Pot.) With over 140 healthy and indulgent recipes, vibrant photography, and the *Skinny Scoop* signature cooking tips including make-ahead options, time saving ideas and ingredients swaps, [Skinnytaste One & Done](#) is possibly the only kitchen counter-top appliance cookbook you may ever need.
